

POTENTIAL ACADEMIC PLAN

PLEASE NOTE: It is the student's responsibility to ensure they are meeting all requirements of their major(s), minor(s), concentration(s), and any other requirements they may be subject to, such as particular group affiliation requirements. This document is intended as a supplemental advisement tool to be used in conjunction with in-person advisement, the UDSIS Degree Audit, and the Academic Catalog and will need to be updated each semester as it is a working document. It is also the student's responsibility to schedule an appointment to meet with their assigned advisor at least once a semester to collaboratively create a potential academic plan, monitor degree progress, discuss any questions in regards to requirements and policies, and ensure timely graduation.
