Program notes

The UDSO is proud to offer the following performance highlighting the remarkable contributions that Ukraine has given to the world of music. The Concert begins with four scintillating dances by Levko Kolodub, followed by the remarkable artistry of Ukrainian pianist Marina Lomazov in a performance of George Gershwin’s *Rhapsody in Blue*. (And, did you know, Gershwin’s grandfather was born in Odessa?!) After a brief intermission, the concert will conclude with a rousing rendition of Tchaikovsky’s Second Symphony. Formerly subtitled “The Little Russian,”—the common name for Ukraine during that period—there is now a growing consensus among scholars and music-lovers alike to refer to this masterpiece as the “Ukrainian.” Come join us!
